

## *The Thirty Third Sunday in Ordinary Time*

**RESPONSORIAL PSALM:** “*Blessed are those who fear the Lord.*”

*It is disheartening to see at times how people with a lot of potentials simply refuse to use their gifts. Are they afraid of committing themselves, of taking risks with people? Perhaps we too are scared to take the risk of putting ourselves into the hands of people. We keep our faith for Sundays but fail to invest it in the goodness of people, in forgiveness when we have been*

*wronged, in speaking out for those who have no voice, in affection that may not be answered. Let us risk ourselves with the Lord here among us.*

### **IN OUR PARISH...**

#### **SACRAMENT OF MARRIAGE**

This week:

*Robert Dobrowolski son of Piotr & Katarzyna  
Katarzyna Kozak daughter of Marek & Mariola*

*Michal Dedrick son of Vernal & Sharon  
Samantha Bryan daughter of Richard & Suzanne*

*Entered into the Sacrament of Marriage* We wish them an abundance of God's graces and the loving care of Our Lady of Ludzimirz on their new journey towards holiness.

### **Today the second collection will be taken for the SHEPHERDS' TRUST**

Shepherds' Trust is an Archdiocesan retirement program that provides elderly and infirm priests with the financial support they require to lead a dignified life after their many years of service to us. Throughout their lives, our priests have given of themselves tirelessly to establish vibrant parish communities where there were none, they have administered sacraments to us, comforted and counselled us during difficult times in our lives, established youth programs to keep the faith burning in the hearts of our young people, strengthened our faith and provided spiritual direction to us through catechesis. They have done it all with great love for us and for God. Now it is our turn. Asking for help is never easy. Retirement can be a struggle. For some of our priests it is even more difficult. Their "earning" opportunities are quite different than that of most of us and in retirement, our priests face different living patterns than most of us do. In many cases, illness and disability in retirement means increased hardship. Many have no family left and friends who often live far away. With your generous donations to the Shepherds' Trust, we can bridge the gap to allow our priests to maintain a modest but active and

independent lifestyle in their retirement years. Trust is there to ensure that our priest have access to nursing home facilities; medication, a ride to the doctors and just someone to talk to.

#### **ROSARY INTENTIONS – November**

That Christians in Asia, bearing witness to the Gospel in word and deed, may promote dialogue, peace, and mutual understanding, especially with those of other religions.

- For the successful completion of our parish and rectory

#### **The month of November is upon us,**

A month of remembrance of our departed who have preceded us in the pilgrimage to our Father. It is also a month to reflect on our lives – the way we journey on that pilgrimage. Do we value the gift of life? Do we find the true gift of life in the resurrection of our Lord, Jesus Christ? Jesus is our one and only assurance that the grave is not the last step in our journey. The love given and lived in our life is stronger than death. Remembering our departed in our prayers, may we strive to live by the law of love of God and neighbor. It is the only way to assure ourselves of a place in the eternal Kingdom of truth, peace and love.

Through this initiative we hope to deliver a massive voice from Canadians to our government, in 2019, to protect human life from its beginnings.

Jakki Jeff will be giving an enlightening presentation on Global Life Campaign, how this project can assist our efforts in Canada to defend unborn human life and ways to be a part of this new campaign!
