#### **Prayer to St. Joseph by Pope John Paul II**

Saint Joseph, most chaste, caring defender of Christ and guardian of virgins, watch over children and young people, so that with a pure and free heart they may follow the call of a vocation.

Model of workers, grant that all work is done with honesty and under conditions worthy of the human person.

Comfort of the troubled, hope of the sick, show to the suffering the great salvific value of their sacrifice.

Patron of the dying, teach the art of dying to oneself each day, so as to always be ready for a joyful return to the father's house.

Terror of the spirits of darkness, banish the horror of war, evil and hatred. Protector of the Holy Church, to you, I entrust the whole Church. Amen.

#### **Entrusting Families to the Holy Family**

Holy Family of Nazareth, model of Christian families, with deep devotion we entrust ourselves into your care praying; that parents and children, the old and the young love one another. We present to you the desires and needs of all families. We pray for spouses awaiting anxiously and with hope for the birth of a child.

For growing children who fill their homes with joy, for young people in whom love awakens, and for engaged couples, who are preparing for marriage.

For the elderly who day by day draw nearer to the Father's house. For the sick and suffering, for widows and orphans, may they never feel alone, but always receive loving care.

We pray for broken families and those on the path to divorce. May true love be renewed in their critical situation, and resentment and selfishness vanish.

Holy Family of Nazareth, who spread the splendor of love, defend our families and guide them along the path of evangelical blessings. Amen.
