

# ADORATION AT THE TOMB OF CHRIST

## PARISH GROUP SCHEDULE

Adoration is a time during which the entire Church is immersed in silence. This stillness is not only born of a mournful silence because "they have taken away the Lord", but it is also the awaiting of deliverance from Satan's power.

During the assigned hour, groups adore Christ Jesus in the name of the entire parish community.

If members of a group desire to lead others in prayer during their hour, they may do so, but it is not necessary. The guided prayer should not last more than 20 minutes, and musical instruments should not be used. The remaining time will be dedicated to silent adoration.
