

## The Second Sunday in Ordinary Time

**RESPONSORIAL PSALM:** *“Proclaim His marvelous deeds to all the nations.”*

*In today’s Gospel we can see the intercessory power of our blessed Mother. Christ anticipated His "hour" for working miracles in order to grant her request. But the theme of today's readings is the goodness 'and kindness of God and we surely have a convincing proof of that loving kindness in today's gospel story. Christ worked His first miracle in order to grant a temporal favor, an earthly gift, to save the newly-married groom from embarrassment. He told us "ask and you shall receive." That "shall" is very definite, our prayers will be answered, and what we should ask for is not only spiritual gifts, but the temporal aids also which we need. The "shall" applies to them too, as the miracle of Cana proves. We shall get our temporal requests, provided of course that they won't impede us on our journey to heaven. No kind father would give his child a gift that would injure him—God is the kindest of fathers and He sees what will or will not impede or endanger our eternal happiness. We can and should therefore make our temporal needs known to God in our prayers, confident that He will give us what we ask if it is for our real good. But, someone may object: how often have I asked God for temporal favors I needed so badly, and my prayer was unanswered? Was it unanswered really? Perhaps you did not get the exact thing you asked for but you got something more useful, more necessary, something you never thought of asking for, but the good God saw your need of it. We have a Father in heaven who really loves us, and cares for us, let us make our temporal, as well as our spiritual needs, known to Him in confident prayer. Our requests will not go unanswered.*

### DEATH NOTICE

Last week we entrusted to God’s mercy:

† **Mirosław Skrzypek**

*Eternal rest grant unto him O Lord, and let perpetual light shine upon him.*

We would like to extend our prayerful condolences to his family and friends. You are all in our prayers

### The Week of Prayer for Christian Unity 18-25 January,

....will draw together churches across the globe to reflect on the hope and joy in Matthew 2:2,

“We saw the star in the East, and we came to worship him.”

The Middle East Council of Churches, based in Beirut, Lebanon, was the convener for the Week of Prayer for Christian Unity 2022 drafting group. The reflections explore how Christians are called to be a sign to the world of God bringing about unity. Drawn from different cultures, races and languages, Christians share in a common search for Christ and a common desire to worship him. One reflection notes that, in the midst of evil, we long for goodness. “We look for the good within ourselves, but so often we are overwhelmed by our weakness that hope fails us,” the reflection reads. “Our confidence rests in the God we worship.” Christians from Lebanon, Syria and Egypt developed the resources with input from an international group representing the Roman Catholic Church’s Pontifical Council for Promoting Christian Unity and the World Council of Church’s Faith and Order Commission. The resources include an ecumenical opening prayer service, biblical reflections and prayers for eight days, and other elements of worship. The Week of Prayer for Christian Unity is an international Christian ecumenical observance kept annually around Pentecost in the Southern Hemisphere and between 18-25 January in the Northern Hemisphere. Each year ecumenical partners in a different region are asked to prepare the materials.

With roots going back over 100 years, the dedicated octave of prayers has been jointly commissioned and prepared since 1966, after the Second Vatican Council, by the Roman Catholic Church and the WCC.

## PASTORAL VISITATION

Pastoral visitations of the sick can be arranged by calling the Parish Office at 905-451-1422.

### ***Current Restrictions enforced in our Parish until January 28, 2022***

- catechesis and meetings are held exclusively via the Internet.
- no changes in Masses participation
