

THE TWENTY- NINETH SUNDAY IN ORDINARY TIME, year C

Responsorial psalm: “The Lord has revealed His victory in the sight of the nations.”

The pages of the Pentateuch reveal the protection widows enjoyed in ancient Israel. They had no support, so they needed the care of others. The widow in today's parable from Jesus pesters the judge because she needs protection. She can't cope on her own. And this is the heart of our relationship with God: we can't cope on our own. That's why we must pray to Him, cry out to Him, sometimes cry out. Because we are like this widow – to truly live, we need God's grace and protection. But first, we must acknowledge this need. Facing the truth about our fragility and lack of self-sufficiency opens the way to the renewal of our entire lives.

October 22,
Memorial feast of St. John Paul II
„Let the Holy Spirit descend and renew the
face of the land, this land”.
